Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Tuesday 14 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rather cloudy with scattered showers on Wednesday, sunnier later.

This Evening and Tonight:
It will be rather cloudy with scattered showers continuing during the night. Also a few mist patches forming by morning where skies do clear for any length or time. Light winds. Minimum temperature 10 deg C (50 deg F).

Wednesday:
A rather cloudy day with showers continuing. The showers will become more frequent for a time early in the afternoon, dying out later with sunny then clear periods developing. Maximum temperature 18 deg C (64 deg F).

Outlook for Thursday to Saturday:
Dry, bright for much of Thursday but strengthening winds later with rain in the evening. Further rain on Friday but brightening up later. Saturday looks dry and bright..
